

Appl. No. : 10/078,243
Filed : February 14, 2002

REMARKS

In response to the Office Action mailed May 3, 2004, Applicant elects Species I, Figures 4A-4B and 5 which read on Claims 1-22 and 79-81 for examination. This election is made without traverse. Applicant also provides a generic claim (Claim 86) which links all of the four species (Species I-IV). Upon entry of the amendments, Claims 1-52 and 79-86 are pending in this application. New Claim 86 is supported by, for example, original Claims 1, 7, 16, 23, 32, 39 and 47 and Figures 4-8 and thus does not introduce any new matter to the application. Entry of the amendments is respectfully requested.

In view of Applicant's providing the generic claim, it is respectfully submitted that the present application is in condition for allowance. Should the Examiner have any remaining concerns which might prevent the prompt allowance of the application, the Examiner is respectfully invited to contact the undersigned at the telephone number appearing below.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
